

## Warm up your home with our new Satin Brass finish.

Our Halifax™ levers, San Clemente™ handleset and Low Profile Deadbolt are now available in Satin Brass! This on-trend finish has a bold, warm and welcoming look that will add a modern touch to your space. Explore our refined Satin Brass hardware for a simple and stylish way to elevate your home.

### Halifax™ Levers

Halifax™ levers combine sophistication and simplicity, making this design the ideal accent for a contemporary home.

### San Clemente™ Handleset

Our San Clemente™ handleset has a sleek, modern look. With clean lines and minimalist details, you can easily upgrade the entry to your home.

### Low Profile Deadbolt

Featuring a half-inch projection off the door, our Low Profile Deadbolt creates a clean, seamless look while providing trusted security.

## Elevate your home's style and security with our 3 new lever families!

Our Halifax™ levers, San Clemente™ handleset and Low Profile Deadbolt are now available in Satin Brass! This on-trend finish has a bold, warm and welcoming look that will add a modern touch to your space. Explore our refined Satin Brass hardware for a simple and stylish way to elevate your home.

### Sedona™

A modern take on a classic design, the updated wave shape is carefully sculpted and features a slim, elegant profile. Available in Satin Brass, Satin Nickel and Matte Black.

### Trafford™

The unique soft curve and clean appearance enhance any home aesthetic. Available in Venetian Bronze, Satin Nickel and Matte Black.

### Perth™

The slender shape was designed for comfort, and the modern accents deliver a bold look. Available in Satin Nickel and Matte Black.
